BHARAT BIKER R.D. (CHAIN CLEANER)

BHARAT BIKER R.D. (CHAIN CLEANER)

is a highly effective chain degreaser spray specially formulated for motorcycle and super bikes chains. It helps protect chains from wear and tear when used prior to applying Bharat Biker Racing DNA Chain Lube. This versatile product can also serve as a general-purpose degreaser for various motorcycle maintenance tasks.

Application:

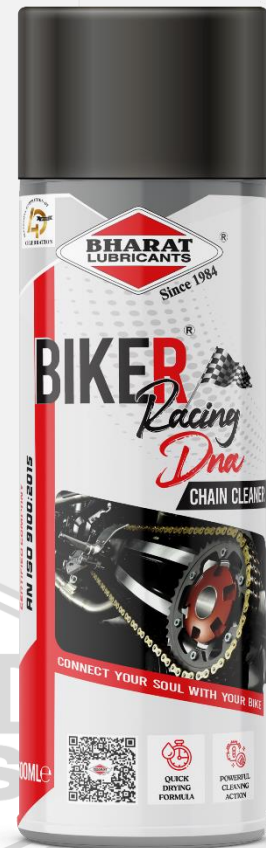

Bharat Biker Racing DNA Chain cleaner is designed for use on all types of motorcycle chains, including O-ring X-ring Z-ring. It is also suitable for Removing dirt, grime, oil, and grease build-up on chains. Preparing the chain for lubrication to improve Bharat Biker Racing DNA Chain Lube.

How to Apply:

1. Shake the can well before use.
2. Spray uniformly onto the chain surface from a distance of 6 to 8 inches (keep the chain moving during application).
3. Use the extension tube to reach hard-to-access areas, avoid wastage, and ensure better results.
4. Spray liberally onto the chain and use a chain brush for enhanced cleaning.
5. Wipe off the residue with a microfiber cloth for a clean finish.

Performance Benefits:

- **Effective Cleaning:** Instantly removes oil, grease, dirt, and grime build-up.
- **Residue-Free Finish:** Leaves the chain clean without sticky residues.
- **Enhanced Chain Life:** Reduces wear and tear on the chain, extending its lifespan.
- **Better Lube Adhesion:** Prepares the chain for optimal adhesion of chain lubricant.
- **All-Chain Compatibility:** Works seamlessly on all chain types, ensuring versatility.

Recommendation:

BHARAT BIKER RACING DNA Cleaner is specially formulated to clean and degrease your bike's chain, removing dirt, grime, and old lubrication, leaving it fresh for a smooth ride. It helps maintain optimal performance and prolongs the life of your chain and sprockets. Perfect for riders who demand peak performance from their machines.
